Power was out from 9 A.M. to about 4:20 P.M. at the Presto in the center of the village and other sections of the village and town had longer waits for power resumption.

They are Mr. and Mrs. Edwin Walsh, Mr. and Mrs. Ernest Dexter, Mrs. Anna Bradley, Mrs. Gertrude Caswell, Mrs. Ada Furtado, Mrs. Isabel Farwell, Mrs. Alberta Carlos and Mrs. Eunice (Randall) Thompson.

We are planning to open the afternoon with a Maypole Dance in charge of Diane Perry and Kathy Buckley.

The Wanderers will be with us; in fact we have a full program. Just mark the date on your calendar.

By the way, if you didn't get your National Grange Bicentennial cookbook, we have 2 left from the last order.

Members of Mattapoisett Grange are urged to come to the regular Grange meeting Thursday night, May 19th. Don't forget, we need a quorum to be able to vote, to pay our bills.

Plaque Dedication

The public is invited to the dedication of the plaque to the ship-building industry, which was so much a part of Mattapoisett's history.

The plaque will be placed on a beautiful stone, donated by Mr. Sam Hathaway, coming from his wood lot in back of the new water tower on Hammond's Hill.

The dedication program by the Bicentennial Committee will take place at Shipyard Park this Saturday, May 21st, at 10:30 A.M. In case of rain, it will be held on Sunday, May 22nd, at 1:30 P.M.

The dedication of the plaque by the Bicentennial Committee will be their last official lasting project for the town.

beloved historic Willis Homestead. Thanks to our alert neighbors and all who so promptly notified the Police and the Fire Departments. By their combined speedy efforts, they achieved a near miracle in spite of a high wind, in containing the fire to the relatively modern addition in the rear of the house, thus preserving the integrity of the old mansion, built so stoutly by experienced ships' carpenters for Squire Willis in 1809 that it has survived the fury of four hurricanes. The first one in 1938 even brought the sea itself into the granite walled basement without weakening the great house.

Mattapoisett is indeed to be congratulated in having such a splendid volunteer Fire Department. My sincere thanks to one and all.

Rochester Seniors

Members of the Senior Citizen Club observed their fifth anniversary on Tuesday, May 10th, at the St. Rose of Lima Hall. Although it was the day of the storm, the meeting was very well attended.

President Mrs. Irene George received an ovation at the conclusion of the progress report in increased membership from the year the club was founded.

Welcomed as new members were: Jeannette Beaulieu, Romeo Beaulieu, Maxine Spengler and Flo Grenier.

The name of Thelma Dion was selected as winner of the special anniversary prize. Sunshine was by Marjorie Rollins.

A "Before and After Auction" gift was presented to Stanley Gonet who served as auctioneer at the auction held following the business session. Sincere thanks to Mr. Gonet and to all for the success of this event.

During the social hour, Louise Leger, refreshment chairperson, was assisted by Theresa Ouellette, Isabel Preston and Doris Sousa in serving the members delicious anniversary cake, ice cream and coffee.

On Monday, May 23rd, the bus will leave from the Rochester Town Hall parking lot at 9:30 A.M. for the trip to Gloucester.

ROCHESTER SENIOR I.D. CARDS

Residents 59 years of age and older are reminded that photos will be taken at the conference room of the Rochester Town Hall on Thursday, May 19th, from 9:30 A.M. to 12:30 P.M.

Applications must be processed before pictures can be taken, and only those who have applied will be issued their I.D. cards in Rochester at this time.

O.R.R. Pops

Blues, Dixieland and a Rock March! What do they all have in common? Well, these three types of music and many more will be heard at the annual ORR POPS Concert. The High School Band will perform eleven numbers featuring different sections and section leaders. There will be a Dixieland band composed of five people: Spencer Gurney, trumpet; Karin Buckley, trombone; Scott Russell, drums; Sue Sylvester, clarinet; and Jane Lammey on tenor sax.

In the arrangement "Seranata" there will be a flute solo performed by Melanie Wolak, one of the band's finest musicians. Karin Buckley, lead trombone, will be doing a solo during "Blue's Essay". Two more of the featured musicians are Chris Gaucher conducting the march, "Bandology",

MATTAPOISETT PUBLIC LIBRARY

Wow! Finally!

The Mattapoisett Library now has a photocopying machine. It will copy letter or legal size papers, pages of books, checks, resumes, and contracts. The public is welcome to use the copying machine for a minimal price per copy.

Some of the New York Times' best sellers this week are:

Oliver's Story by Erich Segal. The sequel to Love Story.

The Chancellor Manuscript by Robert Ludlum. A topical thriller by the author of the Rhinemann Exchange.

Changing by Liv Ullman. The actress talks about Bergman and acting.

Talking to Myself by Studs Terkel. An engaging memoir by the author of Working.

If you don't see what you want on the shelves please ask us to reserve it for you. And did you know about our Interlibrary Loan System? If we don't own the book you're looking for, and the book is in print, we can nearly always get it for you from another library.

PTC Spring Fair

Don't forget that date - it's this Saturday, May 21st, from 10 to 3 at the Center School grounds. Don't miss it - it's sure to be a tremendous hit. "Things A Buzzin' P.T.C. Spring Fair" will be featuring white elephants, bake table, pony rides, cake wheel, used books table, lunch table, game prizes booth, games, balloons, new clothing table, old clothing table, clown make-up, plants and merchants' prizes. The rain date for the fair is May 28th from 10 to 3.

Sue Watjen, chairman of the game prizes committee needs two or three people to help in her booth on the day of the fair. For further information call Sue at 758-4626. This is the booth where you purchase the tickets for the games and then collect the prizes if you're a lucky winner.

Pat O'Connell, chairman of the old clothing committee, requests that all old clothing be clean and children's only, please. It would

be very helpful if you could put a piece of masking tape on the article with the size written on it. Coats, dresses, shirts and skirts should be placed on hangers while any other articles may be folded. All donations should be dropped off at the collection van behind Center School during school hours.

And, what is a fair without balloons? Ellie Blackburn reports that balloons will be available at the fair. This is always a big hit with the junior set. As we said, there's something for everyone!

Andy Lynch and Bill Sparks, co-chairmen of the games committee, report that the Old Hammondtown Student Council is responsible for the organization of these games. That ever popular dunking machine is back again along with many more.

Alberta McLean, chairman of the merchants' prizes committee, comments that the merchants in town have been most cooperative and generous. Some of the items donated include a box of hamburger patties, a scarf, a car wash, electric coffee pot, dinner for two at a fine restaurant, wines and champagne, and many, many more. You could be a lucky winner of one of the many fine items that have been donated.

Sue Hottel, chairman of the white elephant committee, is making a tremendous plea to anyone who wishes to give their junk to a worthy cause. To date very little has been accumulated. In previous years the white elephants drew in the most money. It's our big money maker. Without a successful white elephant table the profit from the fair will be minimal. It's for our children and their schools, so please help us by spending an hour rummaging

TO FLY

This Friday evening, May 20th, the Children's Museum will be showing 4 films at the First Congregational Church on Middle Street in South Dartmouth. The feature film is entitled "To Fly". It is a 35-minute film that traces the history of flight from a balloon to space travel. The photography is excellent, actually giving one the feeling of being there with the photographer. To Fly is currently being shown daily at the Smithsonian's Air and Space Museum, with many people coming back to see it a second and third time.

Three other short films will also be shown.

LITTLE LEAGUE BASEBALL

Saturday, May 7th, the Jets and the Browns were involved in a dramatic ball game that saw 3 home runs and the Jets on top at the finish 10-9. With 2 outs in the bottom of the 6th, John (Tiny) Scannapieco singled and reached third on aggressive base running. A walk to Gerald Lanagan set the stage for Steve Lopes who cracked a three run homer to left center field to climax an emotional outing by both clubs. Chris Riley hit 2 towering home runs to center field driving in 5 runs in their losing effort. A commendable performance from both Chad DeMailly of the Jets and Mark Riley of the Browns in their first mound appearance of the year.

Also on Saturday in Rochester, the Royals beat the Blues 5-3. Steve Baggarly pitched for the Blues in a close game all the way. Excellent hitting was displayed by Amy Beaulieu of the Royals.

Uncooperative weather on Monday and Tuesday left 3 games to be made up. On Wednesday the Wanderers lost to the Royals 10-6. For the Royals a grand slam home run by Louis Rioux, excellent pitching by Jim Frenette and good hitting all around.

Thursday the Blues beat the Jets 8-7. Key hits for the Blues were made by Mike Rogers

Joy in Song

SPORTS AMBASSADORS IN ROCHESTER

The First Congregational Church of Rochester presents The Sports Ambassadors May 22nd at 10:30 A.M. They are a group of students from Barrington College, Rhode Island. They will share their message in testimony and song. Are you stuck in a rut? Has the joy gone out of your life? Then come and have your spirit lifted! And bring someone else along.

Thank You

The spiral slide, the Mattapoisett Lions' Club's latest addition to the Center School playground, is the "greatest", "the ultimate" in the opinion of the youngsters in Center School. The students and staff join together in expressing sincere appreciation to the Lions Club for its recent addition to the playground equipment on the Center School grounds. We are grateful.

The thoughtful project of the Recreation Committee of the Mattapoisett Woman's Club, namely, the installation of the three lovely sturdy picnic tables on the Center School recreational grounds is, likewise, deeply appreciated. Thank you, Mattapoisett Woman's Club. We now have available an outside facility for classroom projects. To you we are grateful.

Sippican Rod and Gun

The Sippican Rod and Gun Club will hold a Turkey Shoot on Sunday, May 22nd, from 1 to 4 P.M. on the clubhouse grounds at Dexter Lane in Rochester. Shotgunners will compete from 40 yards with 12, 16 and 20 gauge shotguns. Participants may use their own gun or one available at the clubhouse. The Sippican Club will also hold, because of its popularity, a .22 caliber rifle and pistol shoot, along with their normal shotgun event.

Once again, the Club will have a Junior .410 gauge shotgun event. Participants for these shoots must be under 16 years of age. Ladies are also invited to participate in all shoots. If there is enough participation from the ladies, the Club plans to hold "Women Only" shoots.

The clubhouse will be open and refreshments will be available. Those interested in becoming a member of the Club may obtain applications from the clubhouse.

BICYCLES ON HIGHWAYS

The first bicycle fatality of 1977 occurred on April 18 in Milford when an eleven year old child was fatally injured in a collision with a motor vehicle.

"With the nice spring weather now upon us and the increasing cost of energy," Acting Registrar, E. Theodore Gunaris said, "there are going to be more and more bicycles, mopeds, and motorcycles on the highways. Because of this, motor vehicle drivers must be on the alert and give them enough room so they can maneuver safely.

"The operators of these smaller vehicles should be aware that they too must observe the rules of the road, including the use of hand signals, and should try not to create hazardous situations.

"We want to hold down the number of deaths to operators of these smaller vehicles--and we can--with the help of all drivers," Gunaris concluded.

TEEN FOSTER HOMES NEEDED

Families for Foster Children, a unit of the Massachusetts Office for Children, has started a recruitment effort to enlist potential foster parents for teenagers in the South Shore.

Mr. Gerald Pavao, Homefinding Supervisor for the regional office of the Department of Public Welfare, reports that there is a critical shortage of homes for teenagers.

These teenagers who desperately need homes may be parentless, may be in a temporary crisis, or may be ready to leave an institution but can't return home. Some of these teens have had trouble with the authorities. A special effort is made to keep brothers and sisters together.

Foster parents to teens receive a subsidy to cover food and clothing. Single persons or couples interested in becoming foster parents to teenagers should call Mr. Azar at the Office for Social Service, 997-3361, in New Bedford.

22nd, according to Lloyd B. Waring, president of Horizons for Youth.

Many of the Walks will emanate from American Legion Posts with check points manned by Legionnaires in uniform. All of the proceeds will be used to help disadvantaged boys and girls who, through no fault of their own, find themselves living under impoverished conditions through Horizons for Youth.

Since 1938, Horizons for Youth has provided a character building experience for over 50,000 needy and deserving boys and girls from all over the state. No youngster has ever paid one penny for these services at the 300 acre wooded facility on Lake Massanoag in Sharon. Many of the 75,000 membership from 395 American Legion Posts are working hard to make the Walk a success.

Horizons for Youth recently won the National A.C.A. Award for its "Escort to Understanding" program that brings about mutual admiration and respect between police officers and youngsters.

Radio and television stations will air messages from civic and sport celebrities urging people to help their less fortunate brothers and sisters. Among these celebrities are: Governor Michael S. Dukakis, Eddie Andleman, Sports Huddle; Red Auerbach, General Manager of the Boston Celtics; Frank Bellotti, Attorney General; John Bucyk, Boston Bruins; Don Cherry, Coach of the Boston Bruins; Chuck Fair-

Amish Quilt Display

"Ohio Amish Quilts" opened at the Museum of Our National Heritage in Lexington, Massachusetts on April 30. These boldly colored quilts from the Amish communities of Holmes and Wayne County, Ohio, date from about 1870 to the early 1900's and display the superior craftsmanship and abstract geometric designs characteristic of Amish quilts. This is the first Amish quilt exhibit devoted exclusively to the Ohio Amish.

The exhibit at the Museum of Our National Heritage from April 30, through September 26, 1977, offers photographic views of the Ohio
